

COVID 19 Safety Statement

Our goal is to provide a safe and comfortable environment for you at our facility. With that in mind, I have instituted the following protocols of regular operations.

General Precautions Statement

Coaches and students will maintain proper social distancing of at least 6 feet during lessons and group instruction. Range stations have been spread out to provide increased separation. Carts, training aids and rental clubs are sanitized before each use. Additional hand sanitizer is provided. Range balls are cleaned thoroughly with soap after each use. Water dispensers, bunker rakes, shag bags, bag stands, den caddies and ball collectors will not be in use – players are encouraged to bring their own water bottles. Paying in advance by phone or online is also strongly encouraged.
